HTML5, CSS3, JavaScript, jQuery, React.js, Vue.js, Bootstrap, Materialize	Node.js, Express.js, MongoDB, Mongoose, PostgreSQL, Sequelize, Python, Django	Mocha, Chai, Heroku	Git, Github

PROJECTS

Bookkeeper - *Materialize, JavaScript, Node, Express, Postgres, Sequelize*

Social networking site for finding and creating online book clubs, organizing books into customizable lists and storing notes and quotes.

Lo Wolf Music - *Vue.js, Node, Postgres, Stripe API*

Website for singer-songwriter Lo Wolf, with a store for purchasing digital tracks and hard copies, and an admin page for logging transactions, adding shows and keeping track of new subscribers.

Good Market - *Python, Django, Postgres, CSS3, JavaScript*

Full stack ecommerce site with a marketplace that allows sellers to donate a portion of each sale to an organization of their choosing.

Mosaic - *MERN stack, Material UI, Spotify API*

Full stack application which converts uploaded photographs into Spotify playlists that users can play and store.

EDUCATION

General Assembly - *Seattle, WA*

May 2018 - August 2018

Web Development Immersive

Ohio State University - *Columbus, OH*

Bachelor of Arts in English, 2009

Cum Laude

WORK EXPERIENCE

Vortex Doughnuts - *Asheville, NC - Barista (Jul 2015 - Dec 2016)*

- Prepared specialty coffee, organized weekly community cuppings and managed social media accounts.
- Trained new employees and baristas from other shops on bar.
- Travelled to Brazil to meet our farmers and maintain relationships for direct trade.

Denver Public Schools - *Denver, CO - Guest Teacher (Jan 2011 - June 2012)*

- Filled in for absent teachers in Denver's inner city K-12 classrooms.
- Implemented existing lesson plans or developed my own for multi-day substitutions.

AmeriCorps NCCC - *Denver, CO - Corps Member (Sept 2009 - Aug 2010)*

- Coordinated large groups of volunteers building houses for Habitat for Humanity.
- Cleared flooded homes and provided emergency resource information for natural disaster victims.
- Built and maintained miles of trails in national and state parks.
- Assisted teachers in an understaffed inner city elementary school.
